

College of Education

Departmental/Major Admission Requirements

Requirements for full admission to each department/major are listed below. *Once a student has met the requirements, he/she should inform the Advising Center. The Advising Center will then change the student's major from the "pre-major" classification to a fully admitted student in the major (e.g., from ELEPRE to ELEBS).*

Curriculum and Instruction (Elementary Education and Secondary Education)

- Elementary Education (pre-2006 Catalog)
