- V. Troops to Educators – Smith
 - a. This program is in the beginning stages of development. The team met with members from CCSD to discuss ways to encourage and support military veterans and their spouses to increase their enrollment in the field of education. Areas of particular concern are Early Childhood, Elementary, Special Education, and Secondary Math & Science. A concern was raised about the small student pool who would be attending these programs and their inability to complete their program in time. A question was raised about how the program would be funded and housing for military families. The next meeting is scheduled for Monday, April 24th at 1 pm.
- VI. Other & Announcements
 - a. Cooperative Teachers Update: Dr. Watson & Dr. Lin spoke with Andre from CCSD (Human Resources). CCSD would like to transfer all payment responsibilities to UNLV for Cooperative Teachers. This change would impact between 400-500 individuals. At this time, it would not be possible for UNLV to take on that responsibility of that number of LOA’s. Andre mentioned that he would address this issue at the upcoming CCSD Leadership Meeting in May.
